

Master of Laws In Chinese Business Law

Learn Chinese Business Law Online

Without the limitations of geographical boundaries, this programme capitalizes on the flexibility of e-learning and is particularly suitable for people on the move and who want to learn at their own pace.

This online programme leading to the award of a Master of Laws in Chinese Business Law by the Open University of Hong Kong (OUHK) is now available for global enrollment. Holders of a Master's degree recognized by the University may complete the programme within 12 months.

The Master of Laws in Chinese Business Law programme is designed to meet the strong demand for useful knowledge in Chinese Business Law, enabling students to develop a broad intellectual outlook on the legal aspects of doing business with China.

This programme is suitable for business management professionals in Chinese foreign (including Hong Kong and Taiwanese) joint ventures, managers and proprietors of non-government organizations as well as small and medium-sized enterprises.

Programme Highlights

- Student can attend real-time online lectures and tutorials.
- Programme will be offered in both Chinese and English versions. The Chinese version will be conducted in Putonghua.
- Course materials developed by renowned Beijing scholars and legal experts.
- Focus on case studies and business applications for legal professionals and managers.
- Round-the-clock online access to law journals and law cases through the University's E-Library.
- May complete the programme within 12 months.
- Recognized by the Law Society of Hong Kong and Hong Kong Institute of Certified Public Accountants (KHICPA) for Continuous Professional Development (CPD) points.
