Tech Day 2.0

CITRIX®

The future of work is here
- Are you ready?

3 Sep 2019, Tuesday | 9am - 12pm | Iverson KL (Mid Valley Branch)

About The Citrix Tech Day 2.0 - Future Of Work

The Citrix Tech Day 2.0 - Future of Work delivers exclusive content from Citrix Synergy, the premier digital work conference. You'll hear firsthand the Citrix vision for a better way to work, and see how our workspace empower successful organizations to unleash creativity, unlock innovation, and stay on the leading edge of productivity. This 3-hours free workshop will help you discover solutions to your IT challenges while you network with colleagues.

Session highlights include:

- What is an Intelligent Workspace?
- The language of Microapps - How does it works?
- Introducing Citrix Workspace Microapp Builder.
- What makes Citrix Managed Desktops unique to the industry?
- How it works for the Management Experience & User Experience?
- The Citrix Managed Desktops' benefits to IT employees.

The future begins with you :
